A Quick Note From the CEO:

Hope everyone has enjoyed this wonderful summer as much as I have!

I'd like to start by telling you all how much I appreciate each employee of our team. I recognize that your contributions and commitment to persons served are at the cornerstone of our success!

I was thrilled to hear how successful our Annual Company Picnic went at Brandywynne! This year's picnic had a tremendous turnout. I want to express my gratitude to the Management Team for their hard work and dedication to make this event successful!

The Quarterly Team Meeting in June was a success. Thank you for your feedback and ideas for improved services. The next meeting will be in September (date is TBD).

With our team in place, we are really making strides in achieving our strategic goal of transforming our service offerings into core competencies, and increasing our market.

TSCS continues to diversify services offered. As we embark on this CARF Re-Accreditation year, we endeavor to add more programs to our repertoire. In this coming year, the Administrative Team will continue to implement, perhaps overhaul, new programs.

I am excited about the new opportunities to serve this population and the community. I am proud to be your leader and remain grateful for your service. Remember, my door is ALWAYS OPEN.

- Sherman

TSCS's Mission:

Our commitment and goal is to provide the highest- quality services and clinical support to people with chronic mental illness and residential young adults to meet their individual needs.

Tidbits from the COO:

Happy Summer!!!

As the COO, I am committed to person's served, the mission/vision of the organization and the engagement of all employees. Effectiveness will depend on the support from all leaders and the ability to drive change within this organization.

Therefore, there are few areas that I will be focused on: (1) Identifying key areas of opportunity, (2) striving for alignment, (3) investing/retaining the best talent, (4) leading corporate planning efforts, and (5) leading a culture of continuous improvement efforts. Effective and clear commination will be at the cornerstone of our organizational shift!

Together, we can fix big issues, fill gaps, and execute core strategies to improve the lives of persons served. My door is always open!

~ Chasity

HIPAA Privacy and Security: (Privacy Act & HIPAA)

Knowledge Check: Consequences of Privacy or Information Security Violations
Incidents involving sensitive information can have serious consequences for the co, clients, and for you. Review the list below and select the ones you think are reportable incidents. Then check your selections and give an answer.

- A. Misdirected mail containing PII/PHI
- B. Lost or stolen equipment
- C. Unattended documents in a locked office
- D. Shredding papers that are not considered records
- E. Unencrypted email containing PII/PHI
- F. Missing or stolen information

Take Action. Be aware. Be secure. It's the TSCS way.

Answer on page:4

The Program Corner:

July was Minority Mental Health Month. Here's How You Can #BeTheDifference With Mental Health First Aid.

What comes to mind when you think about culture and diversity? For a lot of us, we immediately think of what's right in front of us: unique languages, different clothing and diverse food. But a society's culture is much more than that!

In just the last year alone, more than 25 percent of our trained First Aiders come from a non-white background, including Black or African American (11.08 percent), Hispanic (8.82 percent), Asian (2.19 percent) and American Indian or Alaskan Native (2.06 percent). There have been more than 10,700 First Aiders trained in Spanish Adult MHFA and more than 6,000 in Spanish Youth MHFA. And these numbers keep growing every day.

That's why this month, Taylor's Special Care is sharing tips and resources that you can use to help address the mental health of minorities in our community. Together, we can #BeTheDifference. Signs will be posted at each home starting in the month of AUGUST for Mental Health Awareness/Cultural Diversity.

Should you need me, please do not hesitate to contact me!

~ Elizabeth
